Q1: Are you a manufacturer?

A1: yes, we have our own factory. We have all the equipment and technology necessary to meet the special requests of customers. Our monthly production capacity is large enough for your orders.

Q2: When can I get the price?

A2: We usually quote within 24 hours after receiving your inquiry. If it is very urgent to obtain the price, call us or tell us in your email so that we consider your consultation priority.

Q3: Are the samples free?

A3: We are pleased to provide free samples while courier shipping costs to customers' account. Any special requirements must be negotiated with us.

Q4: Will our products release dangerous substances harmful to the human body if they come into direct contact with food?

A4: No. Our products are FDA certified and made of 100% food grade plastic material, which is harmless.
